PRIYA SHARMA

SENIOR FRONTEND ENGINEER

Bengaluru, India | priya.sharma@example.com | +91 91111 23456

PROFESSIONAL SUMMARY

Frontend engineer with 5 years of experience delivering accessible, high-performance web applications. Specializes in React, TypeScript, Next.js, state management, component architecture, design systems, performance optimization, and API integration. Comfortable collaborating with product, design, backend, and data teams on complex user-facing platforms.

SKILLS

TypeScript, JavaScript, HTML5, CSS3, React, Next.js, React Router, Tailwind CSS, Framer Motion, Gemini API integration, streaming responses, Vite, GitHub Actions, Jest, Playwright, Storybook, Docker, REST, GraphQL

EXPERIENCE

Senior Frontend Engineer — Orbit Digital | Bengaluru | 2021–Present

Led frontend architecture for a multi-tenant SaaS platform built with React, TypeScript, and Next.js.

Created a shared component library and design system that reduced duplicated UI code and accelerated feature delivery.

Improved Core Web Vitals through route-level code splitting, lazy loading, memoization, image optimization, and API caching.

Built AI-assisted product workflows with streamed model responses, loading states, error recovery, and structured result rendering.

Established Playwright end-to-end tests and Jest unit tests for critical customer journeys.

PROJECTS

AI Analytics Workspace | React, TypeScript, Vite, Recharts

Built interactive charts, filters, KPI cards, drill-down tables, and responsive layouts with accessible loading and error states.

Developer Portfolio Platform | Next.js, TypeScript, Tailwind CSS

Created responsive navigation, project pages, SEO metadata, and automated deployment.

EDUCATION

B.Tech. Information Technology — Visvesvaraya Technological University | 2015–2019 | CGPA 8.7/10
